

Terra Nova® Nurseries Introduction

HEUCHERA

MARMALADE™ SERIES

'LIME MARMALADE'

- A lime foliage sport from TNN's finest amber-foliaged Heuchera, 'Marmalade', it has a large mounding habit
- Super vigorous and full of frills, it does well in both most of the U.S. in containers and mixed borders
- Compared to 'Lime Rickey', 'Lime Marmalade' features a bigger, "landscape sized" form.
- Foliage Height: 10" - Foliage Spread: 24" - Flower Height: 16"
- Zones 4-9 - Shade or filtered light, sun in the Pacific Northwest
