Habit: Mounding

Diseases: Root rot may occur with excessive soil moisture. Powdery mildew, rust, and leaf spots may occur.

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

Description

Well-silvered year round, 'Frost' has small leaves with dark burgundy veins in the spring to dark with just a touch violet the rest of the year. The multiple crowns bloom with short stems of light pink in spring, summer, and fall. 'Frost', believe it or not will warm your heart.
