Habit: Clumping, upright

Diseases: The plants can have leaf spot and crown rot if kept too moist

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

Description

So pink! From beginning to end, this flower machine will be the star of the garden or the Queen in a container. Bright pink, double flowers fill this plant and really stand out against the pine green foliage. Beautifully branched and easy to grow. Truly too good to pass by.
